EDITORIAL NOTES The new tariff bill reduces the reve-

nue \$71,000,000 annually. Silver, which has been advancing steadily since the present administration went into power, has at last reached he hundred notch.

Grover Cleveland is taking on adipose matter in such a manner as to alarm himself and friends. He gained tweny-five pounds in the last morth. Minister Lincoln will seil for America

next month, and his son's remains will be shipped at the same time for burial in the family vault at Springfield. Chief Justice Fuller and Associate ostice Lamar dissented from the opinon of the supreme court of the United

State Marshal Neagle. At the last session of the district court n Dona Ana county, New Mexico, there were twenty-two persons convicted and entenced for various terms. Seven them were convicted of adultery.

The board of directors of the insane asylom after making overtures to turn over to their legally appointed successors have at last refused. The yearly let to of.

The Michigan woman who was arrest ed and taken to Kansas charged with the murder of the Bender family has been released. She established an alibi proving that at the time the Bender's were murdered she was serving a sentence in the Michigan pententiary for man- same.

The democrats often let contests ! seats in the house drift along until the latter part of the second session, and sometimes one or two of them have gone over altogether. The republicans, however, will have all of them settled by the middle of the first session. This, though is not the only particular in which the republicans are more honest, efficient and statesmanlike than their opponents

The principal democratic organ of Maryland, the Baltimore Sun, is dis gusted with the present leaders of its party in that state, and declares that they are not in harmony with the people on subjects of current interest. It is evident that Boss Gorman is fast losing his grip, and if he isn't very careful Maryland, like Missouri, will go repub-

Jeurnalistic criticism is 2 dangerous calling in Hungary. An article which appeared recently in a journal at Klause burg gave so much offense that it led no fewer than thirteen duels. The edi-Ito: of the paper fought four duels, in one of which he killed his opponent; the author of the obnexious article passed safely through three encounters and the sub-editor took the lion's share with six

It is a somewhat singular fact that while death has made nine vacancies in the house of the Fifty-first congress has left the senate untouched. Brown and Beck, of the latter body, have been troubled with physical infirmities of considerable gravity for a year or more back, and other members of the same branch have been ill, yet thus far during the term it has happily maintained its roll

The Atlanta Constitution takes a very cheerful view of the southern situation twenty-five years after Appomattox. risen from the ashes of defeat-a south that "looks forward and not backward. And yet it will not do to forget that only a few months ago the people of the town in which the Constitution is published turned out by the thousands to burn their postmaster in effigy because he had app inted a capable and reputable young colored man to a cler kship i

The transitory nature of political repu tations is strikingly illustrated in the case of ex-Senator Terry, of Micigan, wh visted Washington the other day after an absence of several years. Very few people recognized him, or recalled the salient facts of his career when his name was ively but a short time since he Twas a officer of the senate and of the joint sessions of the two houses of congress which counted the electoral vote in a case of supreme importance. That was in 1877 and this is only 1890, but he is nevertheless practically forgotten. -Ex.
